FALL 2026

The Fall 2026 launch brings together three distinctive collections, each shaped by its own source of inspiration.

Mysuru reflects India's rich silk heritage, architectural details and tropical scenery. **Ombre** explores subtle colour transitions and layered tonal effects, while **Senah** draws on traditional craftsmanship, artisanal techniques and timeless weaving structures.

MYSURU

With its pleasant climate, impressive architecture and relaxed atmosphere, Mysuru is widely regarded as one of India's most charming cities. Its vibrant character provides the inspiration for this wallcovering collection.

Alongside its magnificent temples and palaces, many yoga studios and colourful festivals, the city is celebrated for its flourishing silk heritage and verdant surroundings with palm trees defining the landscape. It is from this rich interplay of exquisite silk and softly swaying palms that the Mysuru collection draws its inspiration.
