Certification report 19/745

---

## 1. Description of the wall covering:

|                       |                                                                      |
|-----------------------|----------------------------------------------------------------------|
| <b>Product family</b> | Type 02: Wallcovering with natural materials and decorative elements |
| <b>Total mass</b>     | 226 g/m <sup>2</sup> - 900 g/m <sup>2</sup>                          |

## 2. Test results:

Classification according to EN13501-1:2007+A1 (2009)

|                               |          |
|-------------------------------|----------|
| EN ISO 11925-2 (exposure=30s) | EN 13823 |
|-------------------------------|----------|

## 3. Conclusion:

Referring to the means of control and the test results, the before mentioned product group can be classified as follows:

This report includes 2 pages and may only be reproduced in its entirety. The test results cover the received samples. Centexbel is not responsible for the representativeness of the samples.

Centexbel is a notified body N° 0493 for the European CPR (Construction Products Regulation) and for the European Directive related to Personal Protection Equipment.
